**Why do you work at Mater Dei?** Before starting at Mater Dei I was a happy stay at home Mum with my three boys, Dane, Brody and Royce. I first learnt about Mater Dei through a friend, Helen Jacob, who works here. With lots of encouragement from Helen, I commenced a volunteer Teacher's Assistant (TA) position at Mater Dei in July 1999. I enjoyed this very much. Soon, I was fortunate enough to be offered a casual TA position. In 2001 an opportunity to become permanent arose and I grabbed it with both hands!
