

MOVIE LAUNCH

The much anticipated release of the new Mater Dei movie “Perfect Love Drives Out All Fear” was celebrated at its premiere on Tuesday December 8 at Dumaresq St Cinemas at Campbelltown and on Wednesday December 9 at United Cinemas at Narellan. Red carpet, flashing light bulbs and cheers from the waiting crowd greeted the Mater Dei cast and the JMC Academy film students. Everyone was suitably impressed. After the movie a very entertaining Q&A session was followed by presentations of bouquets of flowers to the JMC crew and movie creators Alan Moore and Sr Jeanie Heininger sgs. The movie is reportedly the first movie ever made about the life of John Bede Polding and the result of a special partnership between JMC Academy and Mater Dei School. Special thanks to Martin Cascarino from JMC for making this possible. DVD copies of the movie are now available from Mater Dei for \$25. To place your order for a copy call (02) 4655 7481 during school hours.
