

Support for our Fair

The Annual Mater Dei Country Fair was held on Sunday October 25. It was a great success, with an overall profit of approximately \$26,000 raised.

The crowds continued to arrive throughout the day despite the rain, with visitors coming prepared with umbrellas and wet weather gear.

In particular, we would like to thank The Toolbox Narellan, for organizing a tool raffle, which retailed at \$10,000, the P&F from St Thomas More Primary School at Ruse for running the Chocolate Wheel and our wonderful parents and supporters.
